EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: nonelected claims 1-2, 5-23, 42-52, 55 (without traverse) have been canceled.

REASONS FOR ALLOWANCE

2. Claims 3-4, 24-41, 53-54 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not anticipate nor render obvious to one ordinary skilled in the art an active-matrix (TFT) liquid crystal display device comprising a combination of various elements as claimed, more specifically, the second electrode pads having an area smaller than that of the first electrode pads and arranged at end portions of the plurality of second lead wirings, a conductive member provided over the first substrate and connecting at least one of the first electrode pads with corresponding one of the second electrode pads, and wherein contiguous ones of the first electrode pads with each other are shifted in a direction of a side of the second substrate.

Noriyama ('439) discloses an active-matrix(TFT) LCD device comprising lead wirings, electrode pads, conductive films. However, Noriyama fails to disclose the particular structure of 'the second electrode pads having an area smaller than that of the first electrode pads and arranged at end portions of the plurality of second lead wirings, a conductive member provided over the first substrate and connecting at least one of the first electrode pads with corresponding one of the second electrode pads, and wherein contiguous ones of the first electrode pads with each other are shifted in a direction of a side of the second substrate'.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
